

So I want to put together a Fur Rondy Outhouse Race Team!

1. Read the Rules.
2. Find 10 people who like to have fun.
3. Raise the entry fee, \$100 / \$200 if you only want to race in the Fur Rondy. Benefits Habitat for Humanity / AE club at UAA.
4. Build an Outhouse Racer, free plans here.
5. Decorate Outhouse Racer with a catchy theme (PG-13).
6. Attend the Shakedown Races the weekend before (required if you want to keep the entry cost to \$100).
7. Come up with a witty or factual story to be read as your introduction (100 words or less).
8. Costume up for the Fur Rondy.
9. Fur Rondy Outhouse Parade before the racing begins, bring candy or beads to throw into the crowd Marti Gras style.
10. Race! Trophies for: 1st – 3rd in each division, Overall Champion, Peoples Choice, Most Colorful, Best Theme, Most Realistic, Cleanest, Best Engineered, Best Architecture, and Red Lantern. The World's Largest Outhouse Races 2017 Fur Rendezvous

Welcome to **The World's Largest Outhouse Race!** Three divisions – Unlimited, Traditional and Need For Speed. Trophies for 1st through 3rd in the Traditional and Unlimited divisions. Cash Prizes for 1st place in each division. Other trophies to be awarded are: Grand Champion, Best Theme, Most Colorful, People's Choice, Cleanest, Most Realistic, Best Engineered, Best Architecture, and Red Lantern.

This is a wonderful opportunity to use your creative side to develop an outhouse theme. Spend a little time on the internet for ideas.

All outhouses may be built of any material that produces a structurally sound building on skis. Any outhouse deemed unsound or unsafe, by the race committee, will not be allowed to race. Safety is paramount.

The race course will be a two lane course with 2 teams racing each other down and back around a pylon. The starting line is also the finish line.

Sign up and challenge other teams to the race.

Why: 1. To have fun in February.
2. To raise money to help the AE club assist Habitat for Humanity in their mission to eliminate substandard housing. To date the AE club has done more than 14,000 volunteer hours of work with Habitat for Humanity locally and nationally and donated over \$12,000.00 to **Anchorage** Habitat for Humanity.

Who: The AE Club at the University of Alaska Anchorage. Contact person: Bob Maxwell 786-4914 afrdm1ak@gmail.com

Where: Shakedown at UAA and Fur Rondy Races on 4th Avenue between E & F streets.

Fur Rondy Race – Saturday February 25th at 4:00pm on 4th Ave between E and F streets.

How: Teams will compete only within their division. Trophies for 1st-3rd place in each division. The winner from each division will race at the end against the winner from the other divisions for the Grand Championship. Cash prizes for 1st place. A red lantern trophy will be awarded to the slowest.

Fine Print: Everyone must sign liability waivers. Waivers will be passed out and collected at the Shakedown races. All paperwork must be done at the shakedown, including the purchasing of a Skip the Shakedown Pass. No waivers no race.

Due to excessive abuse to the race pylons, at the Fur Rondy Races, a \$10 donation to the AE club will be assessed for making any contact with the pylon. Each outhouse will have a \$10 bill clipped to the front of their outhouse as they approach the starting line, should they hit the pylon the \$10 bill will be removed and donated to the club at the finish. You will need to replace the \$10 bill for the next race. Your donation will be announced over the PA. The crowd will cheer for your generosity!
