

## The World's Largest Outhouse Races 2019 Fur Rendezvous

Welcome to **The World's Largest Outhouse Race!** Two divisions to race in; Unlimited and Traditional. Trophies for 1<sup>st</sup> through 3<sup>rd</sup>. Cash Prizes for 1<sup>st</sup> place in each division. Other trophies to be awarded are: Grand Champion, Best Theme, Most Colorful, People's Choice, Cleanest, Most Realistic, Best Engineered, Best Architecture, and Red Lantern.

This is a wonderful opportunity to use your creative side to develop an outhouse theme. Spend a little time on the internet for ideas.

All outhouses may be built of any material that produces a structurally sound building on skis. Any outhouse deemed unsound or unsafe, by the race committee, will not be allowed to race. Safety is paramount.

The race course will be a two lane course with 2 teams racing each other down and back around a pylon. The starting line is also the finish line.

Sign up and challenge other teams to the race.

Why: 1. To have fun in February.  
2. To raise money to help the AE club assist Habitat for Humanity in their mission to eliminate substandard housing. To date the AE club has done more than 15,000 volunteer hours of work with Habitat for Humanity locally and nationally and donated over \$12,000.00 to **Anchorage** Habitat for Humanity.

Who: The AE Club at the University of Alaska Anchorage. Contact person: Bob Maxwell 786-4914 [rdmaxwelljr@alaska.edu](mailto:rdmaxwelljr@alaska.edu)

When: Saturday February 23rd at 4:00pm. About 90 minutes of racing.

How: Teams will compete only within their division. Trophies for 1st-3rd place in each division. The winner from each division will race at the end against the winner from the other divisions for the Grand Championship. Cash prizes for 1<sup>st</sup> place. A red lantern trophy will be awarded to the slowest.

Fine Print: Everyone must sign liability waivers. Waivers will be available online. All paperwork must before race day. No waivers no race.

Due to excessive abuse to the race pylons, at the Fur Rondy Races, a \$10 donation to the AE club will be assessed for making any contact with the pylon. Each outhouse will have a \$10 bill clipped to the front of their outhouse as they approach the starting line, should they hit the pylon the \$10 bill will be removed and donated to the club at the finish. You will need to replace the \$10 bill for the next race. Your donation will be announced over the PA. The crowd will cheer for your generosity!
