Concept: Costumed runners (3 Little Pigs or Little Red Riding Hood) run a 5K with other costume runners (Wolves) in pursuit.

Costume requirements: Must have something that references Pigs, Little Red Riding Hood or Wolves. All runners must have a belt. Pigs and Reds will have 3 "Life" flags attached to their belts (flags are provided) and the Wolves will have a tail attached to their belt (tail is provided). The flags must be placed in the belt as instructed, no permanently attaching any flags or tails to the belts.

Course: 5K bike trails with Zombie Wolf and MayHam Zones. Pigs and Reds start first with 3 "Life" flags hanging from their belt. 4 minutes later the Wolves are released. The Wolves must catch up to the Pigs and the Reds and try to remove their flags while finishing the run.

Prizes:
